**Preamble**

**Overeaters Anonymous** is a fellowship of individuals who, through shared experience, strength & hope are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively. There are no dues or fees for members; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations. OA is not affiliated with any public or private organization, political movement, ideology or religious doctrine; we take no position on outside issues. Our primary purpose is to abstain from compulsive overeating & to carry this message of recovery to those who still suffer.
